The *graduation* of the parts of the universe is likewise ne-
cessary to the perfection of the whole. *Grew's Cosmical Sacra.*
Of greater repugnancy unto reason is that which he deli-
vers concerning its *graduation*, that heated in fire, and often
extinguished in oil of mars or iron, the loadstone acquires
an ability to extract a nail fastened in a wall. *Brown's Vulg. Err.*
2. The act of conferring academical degrees.
GRAFF. *n. f.* [See GRAVE.] A ditch; a moat.
Though the fortifications were not regular, yet the walls
were good, and the *graff* broad and deep. *Clarendon, b. viii.*
GRAFF. *n. f.* [from *graff*, French.] A small branch inserted into
GRAFT. the stock of another tree, and nourished by its sap,
but bearing its own fruit; a young cyon.
God gave unto man all kind of seeds and *graffs* of life; as
the vegetative life of plants, the sensual of beasts, the rational
of man, and the intellectual of angels. *Raleigh.*
It is likely, that as in fruit-trees the *graff* maketh a greater
fruit, so in trees that bear no fruit it will make the greater
leaves. *Bacon's Natural History, N. 475.*
'Tis usual now an inmate *graff* to see
With insolence invade a foreign tree. *Dryd. Virg. Georg.*
If you cover the top with clay and horse-dung, in the same
manner as you do a *graff*, it will help to heel the sooner. *Mort.*
Now the cleft rind inserted *graffs* receives,
And yields an offspring more than nature gives. *Pope.*
TO GRAFF. *v. a.* [from *graffer*, French.]
TO GRAFT. *v. a.* [from *greffer*, French.]
1. To insert a cyon or branch of one tree into the stock of another.
His growth is but a wild and fruitless plant;
I'll cut his barren branches to the stocks,
And *graft* you on to bear. *Dryden's Don Sebastian.*
With his pruning hook d'sjoin
Unbearing branches from their head,
And *graft* more happy in their stead. *Dryden.*
2. To propagate by insertion or inoculation.
In March is good *grafting* the skillful do know,
So long as the wind in the East do not blow:
From moon being changed, 'till past be the prime,
For *grafting* and cropping is very good time. *Tusser's Husb.*
To have fruit in greater plenty the way is to *graft*, not
only upon young stocks, but upon divers boughs of an old
tree; for they will bear great numbers of fruit: whereas, if
you *graft* but upon one stock, the tree can bear but few. *Bacon.*
Now

GRA

Now let me *graft* my pears, and prune the vine. *Dryden.*
3. To insert into a place or body to which it did not originally

Her royal stock *graft* with ignoble plants. *Shakespeare, R. III.*
5. To join one thing so as to receive support from another.
This resolution against any peace with Spain is a new inci-
dent *grafted* upon the original quarrel, by the intrigues of a
faction among us. *Swift.*
May one kind grave unite each hapless name,
And *graft* my love immortal on thy fame. *Pope.*
GRAFTER. *n. f.* [from *graff* or *graft*.] One who propagates
fruit by *grafting*.
I am informed, by the trials of more than one of the most
skilful and experienced *graffers* of these parts, that a man shall
seldom fail of having cherries borne by his *graft* the same year
in which the infusion is made. *Evelyn.*
GRAIL. *n. f.* [from *grail*, French.] Small particles of any
kind.
Hereof this gentle knight unweeting was,
And, lying down upon the sandy *grails*,
Drank of the stream as clear as crystal glass. *Fairy Queen.*
GRAIN. *n. f.* [from *graine*, French; *granum*, Latin; *grano*, Italian,
has all the following significations.]
1. A single seed of corn.
Look into the seeds of time,
And say which *grain* will grow, and which will not. *Shakespeare.*
His reasons are as two *grains* of wheat hid in two bushels
of chaff. *Shakespeare's Merchant of Venice.*
Let them pronounce the steep Tarpeian death,
Vagabond exile, slaying, pent to linger
But with a *grain* a day, I would not buy
Their mercy at the price of one fair word. *Shakespeare, Coriolanus.*
Many of the ears, being six inches long, had sixty *grains*
in them, and none less than forty. *Martimer's Husbandry.*
2. Corn.
As it ebbs, the seedman
Upon the slime and ooze scatters his *grain*,
And shortly comes to harvest. *Shakespeare, Ant. and Cleopatra.*
Pales no longer swell'd the teeming *grain*,
Nor Phœbus fed his oxen on the plain. *Dryden's Pastoral.*
'Tis a rich soil, I grant you; but often covered with weeds
than *grain*. *Collier on Fame.*
3. The seed of any fruit.
4. Any minute particle; any single body.
Thou exist'st on many thousand *grains*
That issue out of dust. *Shakespeare, Measure for Measure.*
By intelligence
And proofs as clear as founts in July, when
We see each *grain* of gravel. *Shakespeare's Henry VIII.*
5. The smallest weight, of which in physics twenty make a
scruple, and in Troy weight twenty-four make a penny weight;
a grain is named because it is supposed of equal weight with
a grain of corn.
They began at a known body, a barley-corn, the weight
whereof is therefore called a *grain*; which ariseth, being multi-
plied, to scruples, drachms, ounces and pounds. *Holder.*
The trial being made betwixt lead and lead, weighing
severally seven drachms, in the air; the balance in the water
weigheth only four drachms and forty-one *grains*, and abateth
of the weight in the air two drachms and nineteen *grains*:
the balance kept the same depth in the water as above said.
Bacon's Phys. Rem.
His brain
Outweigh'd his rage but half a *grain*. *Hudibras, p. i.*
6. Any thing proverbially small.
For the whole world before thee is as a little *grain* of the
balance. *Wisdom, xi. 22.*

Shadow'd from either heel with feather'd mail,
Sky-tinctur'd *grain*! *Milton's Paradise Lost, b. v.*
12. Temper; disposition; inclination; humour.
Your minds, preoccupied with what
You rather must do than what you should do,
Made you against the *grain* to voice him counsel. *Shakespeare.*
Quoth Hudibras, it is in vain,
I see, to argue 'gainst the *grain*. *Hudibras, p. ii. cant. 2.*
Old clients, weary'd out with fruitless care,
Dismiss their hopes of eating, and despair;
Though much against the *grain*, forc'd to retire,
Buy roots for supper, and provide a fire. *Dryden's Juvenal.*
13. The heart; the bottom.
The one being tractable and mild, the other stiff and im-
patient of a superior, they lived but in cunning concord, as
brothers *glued* together, but not united in *grain*. *Hayward.*
14. The form of the surface with regard to roughness and
smoothness.
The smaller the particles of those substances are, the smaller
will be the scratches by which they continually fret and wear
away the glass until it be polished; but be they never so small,
they can wear away the glass no otherwise than by grating and
scratching it, and breaking the protuberances; and therefore
polish it no otherwise than by bringing its roughness to a very
fine *grain*, so that the scratches and frettings of the surface
become too small to be visible. *Newton's Opt.*
GRAINED. *adj.* [from *grain*.] Rough; made less smooth.
Though now this *grained* face of mine be hid
In sap consuming Winter's drizzled snow,
Yet hath my night of life some memory. *Shakespeare.*
